Integrating Arts & Literacy to Engage Culturally & Linguistically Diverse Students

Prof. E. Langan's (PI) Spring Semester 2022; Prof. S. Lawrence (Co-PI)

BCC students enrolled in Prof. Langan's EDU 40 classes gained proficiency in:

Identifying primary sources
(verifying and analyzing sources)

Children's lives at the turn of the 20th century

Writing lesson plans
(receiving extensive feedback for revisions)

Creating teaching video
(preparing 5-minute teaching demonstration)

"I learned how primary sources are necessary to create authentic student-centered instruction."

"From the first to the final, each draft was better. I now know why a strong lesson plan is very important to being a strong teacher."

"The professor opened my eyes to what a child might be thinking or what a child might say."
