

## *“How was U.S. Foreign Policy Toward Latin America Influenced by the Global Cold War?”*

### Strategies and Methods

- Identified LoC resources that pertained to a high needs curricular area
- 75 educators participated in live (virtual) programming
- 3 Part Webinar series – w/scholar and educators who created materials
- Materials posted on Retro Report website, several OER platforms, shared via multiple newsletters
- Completed several national and regional conference presentations (NCSS, NCHE, California, Texas, Florida, etc.)

### Target Audience and Focus Topic

- MS/HS U.S. & World History teachers
- Students engage in political cartoon analysis
- Designed for use while teaching the Global Cold War (with connections to current events)
- Project materials have over 30,000 views
