

Primary Sources to Public History Professional Development Workshop

Presenter: Dominique D. Clarke **Duration:** 4 hours

Description: Interactive workshop for educators and instructional coordinators centering around C.O.I.'s Primary History 2 Public History instructional strategy and In & Out approach to content mastery. This session is where standards, content literacy, primary sources and visual literacy collide. Public, private, charter and homeschool educators will be exposed to creative and non-traditional teaching strategies, materials and resources that captivate and appeal to all learners, of all types and at all levels.

Teaching with Primary Resources
